

KING

Here are four more young princes, surely
one among them must take your fancy.

*(Four young PRINCES step forward, each
barely distinguishable from the others, with
similar colouring, height and shape, and
wearing similar clothes. KING presents
them one by one.)*

Baronia...

PRINCESS MAY

(glancing at him)

Too tall.

THIRD PRINCESS

Ooh, what a man!

KING

Pastonia...

PRINCESS MAY

(looking the other way)

Too short.

FOURTH PRINCESS

What's the matter with her, he's perfect.

KING

Maronia...

PRINCESS MAY

(with her back to him)

Too fat.

FIFTH PRINCESS

And he's just lovely too.

(QUEEN comes forward to stand by KING)

KING

Duldonia...

PRINCESS MAY

(turning away)

Too thin.

SIXTH PRINCESS

I'll have him if she won't.
