

VILLAGERS group 1  
Hurrah for Dragon!

VILLAGERS group 2  
Dragon showed us the secret of fire! It's magic!

VILLAGERS group 3  
He showed us how to make a fire with coal!

VILLAGERS group 4  
And so we stayed warm through the winter!

VILLAGERS group 5  
Dragon must have his reward!

DAUGHTER  
Yes, Dragon must be rewarded!

DRAGON  
It's time for me to be on my way again.

HEAD MAN  
I am the Head Man in the village. To show our gratitude, you can have anything it is in my power to give you.

DRAGON  
Then I would have your daughter to come with me on my travels. She would become rich with the knowledge of other people and their ways.

*(DRAGON and DAUGHTER smile warmly at each other.)*

DAUGHTER  
Yes, it would be good to travel to new places.

HEAD MAN  
No, that is impossible.

DRAGON  
But it is in your power to let her be my companion.

FIRST MAN  
That is right.

*(Other VILLAGERS murmur agreement.)*
